SUGGESTION OF BANKRUPTCY

You are hereby notified that The Turkey Leg Hut & Company, LLC. is currently in an active chapter 11 bankruptcy proceeding. The information regarding the bankruptcy proceeding is below:

Case No.:	24-31275
Chapter:	11
Date Filed:	03/26/2024
Location:	Southern District of Texas, Houston Division
Judge:	Honorable Judge Eduardo V. Rodriguez

Section 362 of the Bankruptcy code requires all collection efforts to cease immediately upon the filing of a voluntary or involuntary bankruptcy petition. 11 U.S.C. § 362(a) provides that the filing of a bankruptcy petition operates as a stay against the following activities:

(1) the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the debtor that was or could have been commenced before the commencement of the case under this title, or to recover a claim against the debtor that arose before the commencement of the case under this title;

- (2) the enforcement, against the debtor or against property of the estate, of a judgment obtained before the commencement of the case under this title;
- (3) any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate;
- (4) any act to create, perfect, or enforce any lien against property of the estate;
- (5) any act to create, perfect, or enforce against property of the debtor any lien to the extent that such lien secures a claim that arose before the commencement of the case under this title;
- (6) any act to collect, assess, or recover a claim against the debtor that arose before the commencement of the case under this title;
- (7) the setoff of any debt owing to the debtor that arose before the commencement of the case under this title against any claim against the debtor; and
- (8) the commencement or continuation of a proceeding before the United States Tax Court concerning the debtor.

It is worth noting that the automatic stay is truly "automatic," in that it takes effect instantly upon the filing of a bankruptcy petition and is effective against most entities, including the debtor, and regardless of whether the entity is aware of the filing. *In re Shapiro*, 124 B.R. 974, 981 (Bankr. E.D. Pa. 1991).
